“ *Sister Henderson, was always special to me and so many others. I thank God for sending her into my life, she was always pleasant with a warm and infectious smile I will never forget. But, most of all she will be remembered as a Christian women devoted to doing the work of the Lord and letting her light shine wherever she was. She will be missed, but as believers we know "to be absent from the body is to be present with the Lord" and she is with the Lord looking down on us.*
