“ Malcolm was a wonderful and supportive member of the Cabrini High community and an active Dads' Club member for many years. Our thoughts and prayers go out to alumnae, Kionne '03, Mrs. Lear and the entire family. May God provide you the courage and love in the times ahead.

“ Arthurine,
We am keeping you and Kionne and the rest of the family in our prayers. I will fondly remember all the good times we shared with Malcolm. Especially Mardi Gras season and traveling for the Saints game. We had such a good time working on our float having fun and celebrating Mardi Gras on our truck float. Malcolm is resting in peace with our heavenly father. May his soul rest in eternal peace.

“ *My dearest Malcolm, you are missed. Thank you for taking a young, female engineer under your wings and jump starting my career at Entergy. It was that kind gesture that bonded us 15 years and counting, as I became another daughter to you. We will never forget you. You (and your family) will always be family to me and mine. Truly a heart of gold with a big personality and smile to match along with jokes for days. Love and miss you my friend. ❤️*
