“ *Although you cannot hear her voice or see her smile no more, your mother walks beside you still just as she did before. She listens to your stories and she wipes away your tears; she wraps her arms around you and she understands your fears.*

It's just she isn't visible to see with human eye, but talk to her in silence and her spirit will reply. You'll feel the LOVE she has for you - you'll hear her in your heart; she's left her human body but your souls will NEVER part.

"You had a wonderful and loving Mother and we ALL will miss her."

*With a heavy heart, I send my condolences to you my cousins. May you cherish all the fond memories Aunt Marg has planted in ALL our hearts. I recall all those visits at your house when I was younger, setting the table for dinner, and making sure we didn't drink any of our Kool-aid until we were finished eating. Those were the good 'ol days. She is the last of survivor of the Barnes clan but will always be remembered.
I will be keeping you all in my prayers.*

*Take care.
