“ I was blessed to have worked with Mark in Arlington, Texas. He taught me how to cook and eat mudbugs the correct way. He claimed to be the greatest fisherman in the world. His smile brighten the room. He loved life and his family to the fullest.

“ I had the pleasure to know Mark from the beginning on NOPD and I don't remember a time he didn't have a smile on his face and enjoyed helping any chance he got. Even in hard times he never complained and knew they would be better. He will be missed by many and Mark and his Family will always be in my prayers.

Mark Hall kept me laughing about how great of a fisherman he was. We were like brothers when he lived in Texas. I just learned of his passing yesterday. I'm floored and heart broken. I will always love you little brother.

Mark would do anything for anyone and was always there for me telling me to never give up. He always had a smile and could brighten anyone's day. He was like a Dad. So many fishing stories. Hang onto the memory of being with yall for the Saints/Vikings game when we went to the SUPERBOWL. My heart and prayers are with Sonya, Jasmine, Mark Jr, the entire Family, and all friends. Much love and always here!!
