*Marlon " I am the guy that was talking to you while I held your hand
and you were leaving life behind.
I wish I could have made it all stop and just help you up and brush off
our hands.
I never left your side and I prayed the lords prayer while I laid my
hands on you.
I did not know you. And I did not have to because no matter who you
were in life you were a creation by GOD who created me to.
We have the same color blood within us and that is all that mattered to
me.
I hope one day I can meet you in Heaven so I can shake your hand
and a brotherly hug too. Peace..Love Kelly*
