“ *R.I.P. my dear friend, the picture the family chose is just beautiful and how I want to remember you. We were co-workers at the State School and James I remember Marva and you very well. I worked in the Personnel Office in the office next to Ms North.*

In all the years after we left the school I would occasionally cross paths with Marva and we would give each other a big hug and enjoy a short conversation. She was the sweetest lady that I had met in a long long time.

Thoughts and prayers to you James and the family and I am sure Marva will not be forgotten anytime soon.

Again I will say R.I.P. Marva Ann and I am proud that you let me be your friend.
