“ To the family of Mary Ann Carrie, I am deeply concerned about the sorrow and distress you are experiencing. We all have been pained by the enemy death at some times in our lives. Almighty God knows the tribulation we face, and will soon remove pain, sickness and death forever. Please read Revelation 21:3&4 from your Bible for support. The resurrection promise is extended by Jehovah God in the near future. Jesus Christ demonstrated his ability to resurrect those from death when he was on the earth. Lazarus , the widow's son, and others Jesus raised from the dead.(John 11:11 and Luke 7:11-15) Those of our dear loved ones will be raised from the dead with perfect life on a perfect earth.(John 5:28&29) Please take to heart Almighty God's promises because Titus 1:2 says: "God cannot lie."

“ To my beautiful Grandmother MaryAnn, may you rest in peace and enjoy the next chapter in your life. You told me back in 2008 that you could not wait to share another moment with your late husband (My grandfather) and I am so happy that you will finally have the chance to be with the love of your life. My only wish is that we could have spent more time together, but no matter the lack of time spent I know that you truly love me and always know that I love you. You’ve lived a wonderful life, one that our entire family should celebrate and also emulate. You are a Diva, an Angel, and most importantly you are my Grand Mother. I love you and I will truly miss you!

“ My grandmother lived a long and full life. She lived to see her children's, children's, children, and that's a blessing within itself. We developed a nice phone relationship over the years because we lived hundreds of miles apart. I would always thank her for passing on her love of home decor and furniture to me. Every time I buy a new piece for the house, I think of her. Every time my husband tells me not to bring another piece of furniture into the house, I think of her (and that my PawPaw used to tell her the same thing). I feel both comfort and pride in knowing that a portion of her amazing personality will live on in me. She IS a great woman and I do not morn death, but only celebrate her life.

*I was sadden to learn that Auntie Mary Ann had passed. My Godmother Maude Ferdinand Tillman was her stepmother. My mother was Thelma Kemp. Although I spent many years in Colorado we always kept in touch by phone and when we would visit New Orleans she always managed to visit us at my mothers' home on Press Dr. She was a wonderful person and a joy to be around. Our Aunt Juanita Dorsey Powell was buried July 5, 2013. I wish we would have known about her death, we would have been there. Our prays will continue to be with you as you go through this difficult time.*

*Love.*
