“ *My Aunt may not be with us here on Earth. But she lives on in our DNA that passes through all of us in this generation and the rest to come. I love her and will forever more. God loaned her to us and it was time to get his Angel back! She's in GOOD Company in Heaven!* ”

“ *Our condolences to the family, we pray for your strength, unity, and reliance on the Word of God to get you through this time of grief. It saddens us that our “our cousin Tilly” has passed, but know how elated we are that she is with the Lord. I (Les) remember Tilly from her days of living in Riverside, CA. When we would visit her, she would ensure that we would have a great meal and even better conversation. She will be greatly missed.* ”

“ Tilly and I were related by my mother Bertha Triche's side. She is older than me by eight-years, my older cousin. I remember back in the day when all the cousins would get together and have a joyful time. Everyone would bring all kinds of goodies to share at every get-together.

Some of my best memories of Tilly were when she and Joe, who lived in New Orleans and would come to Ponchatoula over the weekend. They would come loaded down with all kinds of stuff; every time they came it was like a picnic. We would have so much fun, eating, drinking, and experiencing a true family gathering. But the most fun was Tilly with all her jokes.

Tilly was so generous. Every time we would leave her house, she would want to give you something, just because. Although she had no children of her own, she considered all her cousins like her children, whom she cared for in her own special own way.

I will miss her greatly, but praise God, she is with God almighty
