“ *It's hard to forget someone who gave you so much to remember.*

Your laughter, and warm smile to comfort the family, and friends while hosting dinner parties in your home.

You made holidays special for all of us.

Most of all, I will always remember how you never complained or judged my cooking. You gave me reassurance that all was well with my food, even though it needed a lot of help.

What a wonderful angel The Lord has in heaven. You were a blessing to all of us.
