“ To the Angelain Family, I am so sorry for the sudden lost of your father. This is so hard for a lot of people this Great Man came in contact with. No one was ever a stranger to him. It saddens me but I know we can't question God's reason for taking such a Great Pilar of the family. Mr. Merl will be greatly missed but with God's strength we all shall get through this time of sorrow. We all have great memories with him and that is what shall get us through these tough times. The great memories! My deepest sympathy to the entire family.

Love you all!
