“ *The will come when I will be silently sleeping along with you and my parents. That time will come when I too will be free of this cruel world. But until then, my job is to continue being a mom and do what I can as father since you're gone. It's hard but not as hard as I thought it would be. I'm relieved that you FINALLY stop visiting me. It was making me crazy and driving me insane. We've had a bittersweet lifetime together and I thank the most high for the pleasure of knowing you. Till we meet again Michael "Snoop" Ventry. This is weird because I never thought in a million years that I would be on your Obituary Page.....WOW*

“ *I wish that you were here right now. Our daughter has run away from home. So much has happened since you've been gone. But I will continue to be strong like you won't tell me to be and keep faith in our Heavenly Father that this all will work out according to his plan. Keep resting.*

“ “LOVE OF MY LIFE”

*No one knows how much your departure has impacted my world.
All I have left is memories and "OUR" 3 beautiful girls.
I talk about you everyday, so that someone will understand.
My lost, my grief, my heartache and pain.
Bey, I miss you so.....words can't describe.
I've been feeling this emptiness, the moment you left my side.
You told me that, I'm your "SOULMATE",
And forever, you'll be mine.
The love we shared was unique, the universe can't define.
I am proud that you chose me above all to be your "WIFE".
Til we are united again, "THE LOVE OF MY LIFE".
Rest In Peace, My Love.....
Your devoted Wife*
