“ Rest in peace auntie Michelle you will be truly missed by our entire family. To my beautiful cousin Angela my aunt lived a great and wonderful life and that is the one thing no one could take away from her. My aunt lived life on her terms and did everything the way she wanted to. One of my greatest memories of aunt Michelle is the time she said I will come and visit you and your wife but I need you to bring me home to watch my favorite shows. My aunt also made a request that I stop to the store for her on the way home. After, arriving to the store she picked up what she wanted, put it on the counter and looked to me and said get your wallet out because you're paying for this "I see that truck" so, don't say you don't have any money. I did exactly what she asked for with a smile on my face. The moral of what I am saying is enjoy the time you have with family because tomorrow isn't promised. Love you Aunt Michelle you will be truly missed.
