“ I want to send my condolences and prayers to the family on the passing of Michon. I was unaware that she passed away . I met Michon in Atlanta and we periodically stayed in contact. I remember her as being outgoing, ambitious and not afraid to try something new. Continuous prayers to the family!

“ Words can't take away the hurt you are feeling, but I want you to know how much I care. The Lord is close to the brokenhearted and saves those who are crushed in spirit. So sorry that Willie and I could not attend the service due to our disabilities. Martin is in Mexico. Our Michon stepped up to represent us and to pay tribute to her namesake. We love you and pray that God will give you the strength to endure.
