“ *Uncle Miguel...I cannot even begin to tell you how much you brightened my world with your presence and laughter. Some of my best memories with you took place when I was living with you and Aunt Lisa. Every night you would tell Aunt Lisa, Courtney, Chris, and I story after story after story of your fun and exciting high school years...and they never got old! I also enjoyed working with you at Crescent City Snacks and Blue Bell Ice Cream. I still can see you clear as day coming up the concourse with your hat on with your Crescent City Snacks shirt tucked inside of your jeans, white sneakers, and hand truck in tow. I'm blessed to have had you in my life as my uncle. You truly were an amazing man and I still cannot believe you are gone. I'm never going to stop missing you. I love you Uncle Miguel...until we meet again..see you later.*
