“ Many condolences on your loss. I was a young one when my "Aunt Zella" gave me a makeover and wrapped my curls, and I never will forget her love wit and care. Many blessings.

“ I was so shocked to hear of Mosella's passing. I met her during her real estate career and we became close but we lost touch since Hurricane Katrina. My condolences to Wayne and the rest of her family. Unfortunately my uncle's funeral is taking place at the same time, so I will be unable to attend. Mosella was one of a kind and my family loved her. Again my condolences to the family. 🥲🥲🥲

“ Wayne & Newman Family,
Mosella was an amazing woman who touched everyone she knew. I know what an unbreakable bond you had, and I can't begin to understand how difficult this must be. My family and I were so sorry to learn of her passing and are wishing you peace and comfort during these difficult times.
I will miss her dearly.
