“ *To Nancy's family and kids. Sincere condolences on the loss of one of the sweetest women from my childhood. I can remember coming by her house to play with Brenda and being served some of the best beans I've ever had. She and my mother were friends from childhood. Sorry I can not be there. She has truly earned her reward and may she rest in the arms of our Father 🙏 Diane Bailey Woods and family*

“ My condolences on the loss of your wonderful, beautiful mother. I remember our pleasant conversations when we rode the bus together in evenings after leaving work at DePaul Hospital. I'd work after school with serving the nuns supper and Nancy worked as staff on one of the floors. Nancy was so easy to talk to and always had uplifting responses. May God bless her soul.
