“ I worked with Noel at Xavier Prep during the 1980's. She was always kind and helpful to me. It was a pleasure and honor to have known Noel. Peace and love to the entire family.

“ I didn't have the privilege of really knowing Miss Noel, but through the relationship I have with her daughter Candice I did get an opportunity to meet her at least once. And from what I recall, she was a very sweet lady and based on conversations Candice and I shared many years ago... a very strong woman.

*I dare not say I know how the family feels, because I don't. But I do know that Miss Noel was a believer in God, so I pray you find comfort in knowing that she is in a better place; free from pain and all worries. Keep her memories close to your heart until you meet again.*
