“ *Where do I start, you loved me as I loved you. You were the kindest man I met in my husbands family. We had a special bond. I loved your caring heart and your manners and your appreciation. I miss you saying Missy I love you and you have a special place in my heart. My second husband (you would say) jokingly. I love you more than I can express. I miss you, I love you and I will see you in paradise with the woman you loved most , your precious Valerie. I promise to take care and love your nephew Blunston always. And your special love of your life Aunt Gail. Until we meet again, get your rest and I will forever carry you in my heart . Love you always
Your Missy*
