“ We lived next Nyles for the last 8 years maybe. We had a great neighborly friendship. He and Debbie were very dear to us. He was very giving to us, very caring man. This planet has lost great soul. We hope to see him in the after life. We miss him!

“ I am still in disbelief that you are gone. Our holidays will not be the same and we will no longer have my favorite bread pudding that you would make just for me nor will we have that pleasant smile you always graced us with. My heart is sadden because of your sudden death but I do know that what GOD does is well done. I will miss you dearly but take your rest. It is not good-bye but see you later. Praying GOD's comfort for the family during this difficult time.
