“ *when tomorrow starts without me when tomorrow starts without me I am NOT there to see if the Sun Sheeran and find you are all filled with tears for me I wish so much you wouldn't cry the way you did today Wow thinking of the many things we didn't get to say I know how much you love me as much as I love you and each time that you think of me I know you miss me too but when tomorrow starts without me please try to understand that an angel came in call my name it took me by the hand and that I always thought I didn't want to die.I have so much to live for so much yet to do it seems almost impossible that I was leaving you so when tomorrow starts without me don't think we're far apart for every time you think of me I am right here just right here right in your heart*
