I love you Cousin Pam. I am soooo grateful that we got to talk the few times we did over the telephone; you are my wonderful cousin and I will miss hearing your voice, seeing you beautiful smile, and your positive words of wisdom. I will always cherish my memories of growing up with you. I will always remember the fun times we had and the great moments of laughter and joy that we shared as children and adults. My heart aches everyday knowing that you are not here in human form, but I am relieved to know that you are not suffering at this moment. Rest in piece my dearest cousin, and know that we will always and forever love you. Your Cousin forever, Angel...
