“ I’m gonna miss you big dog .. the love, admiration and respect you had for Candies was unmatched.

I’m not sure who wrote this obituary but clearly they didn’t know him frfr. His middle name has two “n’s” not one .. he was NOT married .. they had been divorced 😞 .. where are the names of his grandchildren .. why no mention of Terrance ??? I know this is petty but clearly the person who wrote this was not doing so in a loving place.

Candies, May God continue to cover u Neeky, Tia, Ree and the grand kids .. God got y’all
