“ Rae was the Krewe Of Pyros, along with others that love to smile, love to encourage, love to laugh, and love having fun. She was one of the most sweetest young ladies I've known. I will miss the encouraging text messages and phone calls from her. The great ideas and beautiful smile. Her unselfish ways and concern for professionalism. Family, be proud... she has made a mark in this world with grace and style. “Well Done, Thou Good and Faithful Soldier!” Rest Well Dear Sister!

“ I will miss that beautiful smile on your face. You may be gone but you will never be forgotten because you are one that has an ever lasting effect on those that know you. I now have another Angel looking down on me. Love You, Auntie Susan

“Rae and I share the same birth date. These are some photos from our last celebration together. The last is one Rae took of me on a beach in the Bahamas. She framed it and mailed it as a gift. I keep it in my home office. Some joke it's my backside but I know Rae was looking through my lense at the serenity of the water. See you later on the other side Rae. ❤️ Many condolences to Nia, Clarence & Althea, Tam, and all friends, auxiliaries, and acquaintances.

“ *Nia, Althea, Clarence, Tamarah and family my heartfelt sympathy and love to you at this time. I met Radell 23 years ago when she relocated to Maryland. I remember a strong, determined and convicted young woman that was going to do whatever it takes to be the best mother ever and she surely did.*

Nia we will be a strong village for you and keep your mother's memory alive. Nia when you feel defeated remember when we turn to Jesus Christ, we are able to do things we never dreamed were possible or survive things we wish we never had to face. Remember Philippians 4:13 "I can do all things in Christ who strengthens me".

May Radell's soul Rest In Peace

“ *She is our Sun Rae, our friend.
A smile bright and encased in signature red lipstick, a heart as big
and deep as an ocean, she loved laughed and always stood for
being a good person , my dance floor partner, my seat saver when
I'm running late. And a crown straightener.
I'm gonna miss my beautiful friend
, Rae, save some room on the dance floor in Paradise
I know angels are supposed to go home , you left us too soon .*
