“ I remember I must have been maybe 13 yrs old. We were at the playground around the corner from his parents house. Ray, Steve, myself and a few others. We started talking about funny moments at this playground when Ray referred to someone as a "squirrel". I laughed so hard for so long that I thought either he or Steve were going to knock me out to shut me up. It was the first time I had ever heard anyone referred to as a "squirrel" and I found it hilarious. I cannot remember many times when I wasn't laughing in Rays company. Ray you were a very big influence and part of my life. I will never forget you bruh. I love you Ray rest in piece.
