“ *To the family~
I am so touched still to know that my friend, Myrna and her family have suffered such a great loss. It's never easy to let go of those you love but just believe that you will have help from the Word of GOD. He will provide you with everything you need to bare this cross. Keep the memories but please, don't let this burden and those memories possess your spirit. I love you, "Myrnie"!* ”
