“ When my brother (Steven Jefferson) called and informed me my sister-in-law (Tremaine Jefferson) had lost her cousin, I was disheartened. I didn't know her but the nice things I heard added additional sadness. I want Tremaine and all Ronnika's love one's know that someone so special won't be forgotten. May you be able to count all your blessings no matter what life brings. Come rain or shine through thick or thin, I know God's peace will abide from within. God bless!!
