“ I knew Roy from working out at the Tulane Reily Recreation Center over several years. He was kind and friendly with me, but also with everyone else who worked or worked out at the Reily. The words from his obit "never met a stranger" were never more true of a person. I along with so many others will miss him.

“ My deepest sympathies to the family. Met Roy many years ago, we were co-workers. Roy had a beautiful, happy spirit. A great sense of humor and loved those Oakland Raiders! He will truly be missed. May God grant his family peace and strength as they go thru the process. Death ends a life, not a relationship. Rest in power my Brother! We'll discuss football again on the other side. Much love. 🇳🇮

“ The Douglas family, Roy was like family , he always had a smile on his face , and loved having a good time, Roy was one of the Original Men Pigeon Town Steppers, and was very disappointed when he had to stop participating, due to illness. but he never stopped coming by , no matter what was going on. He will forever be missed in our family. May God bless and strengthen each of you. The Henry Family.
