“ *To the Family of Samantha:*

*God looked down on earth and saw a beautiful flower that he wanted in his garden. It was beautiful and blossom. He chose it because she would make his garden bright. God gave her to you Martha to give life to her children, sisters, brothers and community. Yet quiet and in consuming, she made an impact to those who loved and knew her. Jesus said to cast all your burdens upon him because he cares for you. Just keep trusting in the Lord and he will direct your path. My continued prayers are with you'll.*
