“ *To Sandra & the rest of Auntie Bessie’s Family:
It is our fervent hope that everything is going as well as possible,
especially during these days of bereavement. Remember even in
these very trying times, God’s will must be done and Steve is in a
better place, now.
May God bless and keep you, always.

“ *Steve was a cousin that I've looked up to and tried to emulate most
of my life. I have the happiest of memories from the days when we
were young children, to the close time we spent together at
Southern in BR. Although we drifted in the intervening years, Steve
has always been and forever will remain, even in death, a role
model for me.*
