“ As the mother of my closest and best friend Benson, Mrs Dupre was like a second mother to me during our high school years. No doubt one of the most pleasant, easygoing and loving people you could ever meet. All of us whose lives she touched should feel blessed to have had her cross paths with us. She will be sorely missed by all but we know that she has earned her eternal rest and we look forward to seeing her again. To the family, please know that my thoughts and prayers are with you. I feel your sorrow but I share with you in celebrating her life on earth and her home going.

“ I am so glad that i was able to visit Cousin Selina on my most recent trip home to New Orleans this past October. She looked as beautiful as ever. She was always so gracious and refined. She always had such a strong presence (wrapped up in the most elegant exterior).

I have such fond memories of her from the many family gatherings over the years. She will be greatly missed, but will live on as she always has in each and every one her children, grandchildren, great grandchildren and beyond -- my heart goes out to each of you. I wish that i could see you all this weekend to give you each hugs in person. Please know that i am there in spirit.

“ *Jo Ann, I was very sorry to read of your mother's passing in The Advocate. I am so glad I got to meet her in our jewelry class. She was a very classy and gracious lady. I know she will be missed by you and your loved ones but may she rest in peace and be joyfully reunited with your father and your brothers. May God grant you peace and and may your memories bring you comfort. Annette Thibodeaux*
