“ *To the Baptiste family:*

I am so sorry for your loss. I went to Prep & Xavier University with Sharon. I want to honor Sharon as one of my dear friends in high school. I have fond memories of coming to the Baptiste house many times for family visits and parties, and I was looking forward to seeing her at our upcoming reunion. I am so sorry that I am not able to be there today with you to share in the celebration of her life. I will keep the Baptiste family in my prayers.

Sincerely,

To Sharon Batiste's family

I am very sad about the passing of your loved one. May your memories of all the good things shared with her comfort you in the coming days and may God give you comfort and strength to get through this difficult time.

I graduated with Sharon from Prep(64) and went to Xavier University with her. I will truly miss her and remember her always as a wonderful classmate and friend. I am very sorry that I could not be there today to celebrate her life. May she rest in peace.
