“ As my heart is heavy to write you this note, I rest on the comfort of knowing that God is comforting this family at a time when it's needed the most. As badly as I want to be there to celebrate Shelia's life as she and I have had a milestone of childhood fun, laughter, seriousness and sorrow together. But we serve a God who never fails and has lifted us from any depth of ills. Most especially I would love to hug my godchildren Damieon and L'Oreal again. Nanny miss you both so much. Just know that God is there for today, tomorrow, and here after. Please let Nanny hear from you and keep in touch.

“ *Many memories with my friend but our trip out of the country to Montego Bay, Jamaica in 2007 for Teneya and Pharin's graduation is one I'll always remember.*

You said you were taking care of some "Important Personal Business" when I kidded with you about being MIA. Obviously you were and I'll miss you, but know you're in a much better place.

Praying for God's comfort around your family.
