“ It was a pleasure to know Sheryl as a friend and brethren. She has served Dr Kinley with her voice and musical talent since I first knew her. She worked us hard as our voice coach for the first New Orleans Westbank choir. We were awful but it wasn't her fault. My children remember her as the Junior choir director and have been sharing funny stories with me. In short, it was good to have known her and if not for Dr Kinley we probably would have never meet. All praises to that One Man. HalleluYah.

Love to Miss Lee, Jacquet, Teddy and Carl. 💕💕
