“ I remember I was checking something on my truck and Mr Pete ask me what was wrong? I said something came loose and I said I got it. Before I knew it the man was under my truck with me, I said Mr Pete what you doing you getting dirty, he said I got this he ignored me. We fixed my truck. Another time he ask me about a part for his truck, I said I can get you the part. He asked if I need the money, I said no not now wait until I get it. Once I got the part and called him, we met and I give him the part. He gave me too much money I said you give 150 dollars too much, he said I know don't worry about that I said man you don't have to give me extra he said man thanks I am good. I will miss Mr Pete that was my friend I could say a lot more I could even write a book about Mr Pete lol. God you just got a good soldier.
