“ Sorry to hear about your lost. I hope you and your family have the support and comfort you need at this time. May God give you the comfort you need. Isaiah 51:12 says “I myself (Jehovah) am the one comforting you.” John 5:28 “Do not be amazed at this for the hour is coming in which all those in the memorial tombs will hear Jesus voice and come out.” Revelation 21:4 “He will wipe every tear from their eyes, and death will be no more.”

“ Stef was a very special friend to me & I'm thankful that he was put in my life. Through the distance & all these years we remained close friends & I can say that Stef was a true blessing to me bc not only was he always there with encouraging words but he really showed me the true definition of a friend. They say you don't realize what you have until it's gone and that's so true. Now that I can't talk to him I realize more & more what he meant to me. Stef is the only man that truly cares & expressed his feelings to me, no matter what. Now that's real! I just want to let it be known that Stefan Raymond will always have a special place in my heart. To the family I know nothing I say will ease the pain so just know that I will pray for your strength during this time. Love u Stef, until we meet again.
