MI

“ *My best friend. We share so much, laugh at so much. U have been the most coolest and craziest. We never got mad with each other. U would listen to me with it all and knew me better than anybody lol. I would listen to u and laugh at everything. We both gave positive advice and lift each other wen we was down. But we always find that laughter through it all. This was hard! We had wonderful times my best friend.
My Tie'rell!!*
