“ *My sincere condolences to Dorian and the children, grandchildren and family of Terry Briggs. I was blessed to meet Terry and Dorian many years ago due to a business adventure. We became friends like family and that relationship remains today. To Dorian, there's no pain that heaven cannot heal; for all things work according to the Master holy plan. One day when the trumpet sounds, you will be caught up to meet Terry in the air. #RIPTERRYBRIGGS* 🦋
