“ As the days and weeks pass, and as you return to life's routine, may you continue to feel comforted by the love and support of family and friends. Proverbs 17:17 says, "A true friend shows love at all times. And is a brother who is born for times of distress" Grief can be so hard, but our special memories help us cope. Remembering you and your loved one today.

“ My heart is with sadness to hear that, as my late wife Mary "Geneva" Numa and I affectionately use to call her Ma Hardy, She use to always call me to see how I was doing and to make sure that I always had her latest phone number and her current resident, Ma Hardy and Mrs. Beverley, was always at my table during our danced with the Saints Travelers S&P Club.
I will Truly miss her hugs and kisses.
My sincere condolences and prayers goes out to the family during this time of their grievance.
