“ *Kimberly*
My condolences to you and your family. I am extremely sorry for your lost. I remember your mom doing so much for you while attending Epiphany school. I also remember her always calling me Darrell instead of Darren. You and your family will be in my prayers.

“ *Beverly,*

My condolences to you and your family. I speak not only for myself, but also for Penazer Hughes who is another close friend (he and his family currently lives outside Hammond, La.)

I remember meeting your mom back when we were students at J.S. Clark High School. She introduced me, Penazer etc to bowling. She was a kind and interesting lady. She was the only parent of a classmate that we (me, Penazer etc) ever hung out with (bowling). May she rest in peace and may God comfort and strengthen you and your family during this challenging time.

“ Aunt Theresa I enjoyed those visits as a young child to your home in the city every week, it seemed like, with Mama and Daddy. I enjoyed your full of life spirit and consider it a blessing to have spent those times with you. Love your niece Lawanna

“ Your Mom was a character and had a zest for life. She loved to dance and tell stories that made you laugh. I am happy that she is not suffering anymore and hope she is busy dancing in heaven with a smile on her face. To all the family, especially my BFF Beverly, I send my love and prayers for peace.
