“ *Tischone always brightened my day with a joke, smile , or sassy comment. He will be missed by all the students in his homeroom class as well as me. The students have dedicated the room and the annex hallway to Tischone's memory. If you need anything, please don't hesitate to call.*

May the memories held deep in your heart, help to comfort you in your time of sorrow. You are in my prayers.

*With Deepest Sympathy,
Kanisha Brown*
