and not with they head bowed low, you want them to
Remember the love that y'all once shared,
Miss you--but let you go.*

And each must go alone.
It's all a part of the Master's plan,
A step on the road to home.*

*When you are lonely and sick of heart,
Go to the friends we know.
And bury your sorrows in doing good deeds,
they will Miss you tracy--but let me go....MAY YOU REST ON
