February 28, 2017, a very special date created by God for my dear, sweet sister, who was also wife, mother, daughter and friend, to depart and be with Him. She created, along with God, precious memories during her short stay, for me to cherish and love now and beyond. May the Lord watch between us while we are absent from each other.

"I know for certain that we never lose the people we love, even to death.

They continue to participate in every act, thought and decision we make.

Their love leaves an indelible imprint in our memories.

We find comfort in knowing that our lives have been enriched by having shared their love."
