“ *One of the special memories that my husband and I have of Unc is our wedding. He kept bussing the same roc and hands above his head. He always made us laugh, he was caring, honest and helpful. We love him dearly, and we are so glad that he became apart of our family! Our condolences to his wife, my Aunty Shug, his closest family, and all those affected by this unexpected loss. Our prayers are with you all!*
