“ I must say this is definitely a shock. Gone to soon but you will not be forgotten. You are a breath of fresh air....I will never forget the deep conversations we had about life, work, and just peace. Every time we came down to New Orleans you showed us such hospitality and made sure we were ok. I didn't even know you for years on years but it sure felt like it. You never made me feel like anyone less than your cuz. I'm honored to have been given the opportunity to meet someone like you. RIH ❤️

Troy- God's gift to us on Earth. Our 20 year friendship will always be cherished in my heart. Our times together always left me with happiness and Inspiration. You took a piece of my heart with your departure from us I. July 7th, but I pray that God will bring us together again.

“ My dear JFK c/o 96 classmate! I have no words because I am still in shock and disbelief. We will miss you so much! You were a vibrant part of our reunion and K day planning! You were just an overall bright light outside of our connection as classmates. I am so thankful we were able to bond into adulthood and I thank you for being the love, peace and light I needed! I could always depend on you to make me smile and laugh! Again I will miss you sooo much. God knows best. I love you forever! Thank you for traveling over 200 miles away to wish me a happy birthday! That's just who you were! Prayers to your son and your family! You will be truly missed! Gone too soon!
