“ *Sweet Ty'Rian,*

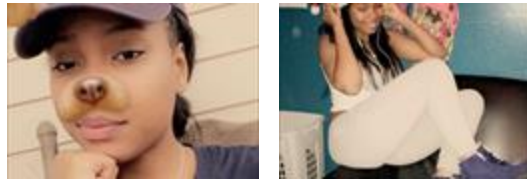

It has been 11 years since we have said our goodbyes. It was heartbreaking to learn that you were no longer with us. I couldn't accept the fact that you were gone. I miss your smile, I miss your smell, and I miss our bond. I carried you around as if you were a baby doll, and the best part about it was that I fell in love with you more and more. You will always be a Princess in our family and you are an angel in our heart! We miss you dearly and continue watching over us baby girl. You have a cousin that's about to be one and she's a girl. Once she was born, I thought about you! I was blessed with a daughter and love being a mama to her. All I can say is when I was 13, you made me realize that I can be someone's mother and look at me! You stole my heart Ty! I hope you're having a blast in Heaven with our Lord and Savior Jesus Christ and God our Father! You made me the happiest child within those two months. We will see you soon my love!
