“ *My Uzziah...I'm still finding it hard to believe ur gone. So young, so talented and so full of life. U will continue to be our angel in Heaven as you were on earth. U saved my son life as a toddler and me and his father will never forget that. We will make sure he continues to live and remember you and make you proud. Dude this don't sit well w/ me as I'm typing. Just know you will always be little brother to me. We love u so much and will miss the physical presence.. but we know ur watching over us...always.
