“ Take your rest my classmate. Memories flood my mind of the many parades we marched in while attending Cohen HS. Praying the Lord’s perfect strength will sustain the family during this time of bereavement.

“ Living in the 12th ward out front we had the best times growing up in the hood and walking to and back from school. We didn't have carpool to be picked up from school. We walked all over town to house parties we went together and we all came back together no one left behind. Vanessa was an awesome happy fun filled woman. She fought a long fight and God said time to come home the battle is not yours he got you. Sleep on my friend.
