To the family, I offer you my prayers. Working for Vernon was such a learning experience that I still use until this very day. It's still a shock to me that he is gone but to know that he did so much for the community brings back many memories that I will forever cherish. Rest on Vernon- for your work here on earth was not in vain.

To Family and Friends of "V.J." as he was so lovingly known to many. Vernon will be greatly missed by all. He was a mentor, a counselor, a dictator (smile), a confidant, but most of all he was my friend and friend to many others. Vernon's memory will forever live on through many of his friends and family. Each of have a story to tell about the many good times we will cherish of Vernon. Love to you all.
