Crowley, Vonda White

September 9, 1964 – October 6, 2024

It is with great sadness and after a lengthy battle that the family of Vonda White Crowley announces her passing on October 6, 2024, at 60 years of age.

She will be lovingly remembered and sadly missed by her husband, Felton Crowley, of 25 years; her sister, Cynthia White Minor; special cousin, Stephen James Jr.; cousin Carol Terrance; dedicated and supportive friends, Lisa McMahan, Jax McMahan and Dianne Dunn ; as well as numerous family members, friends, nieces, great-nieces, nephews, and great-nephews.

Vonda was predeceased by her mother, Carol White; father, Joseph White Jr.; brother, Joseph White III; and brother, Byron White.

Vonda was an incredibly loving and caring individual who always knew how to lift the spirits of those around her. Her infectious humor brought joy to any room. With her direct personality, she communicated openly and honestly, blending kindness with sincerity.

She had a passion for blues music and enjoyed baking and cooking.

Gardening and planting brought her joy, as did helping older people in need.

She loved to read and often surfed the internet to research natural herbs for medical ailments. Picking flowers, fruits, and vegetables from her garden was another beloved pastime. Christmas was her favorite holiday, although she decorated for most holidays.

At Vonda's request, no service will be held.

The family wishes to send a special thank you to the staff at Ochsner Medical Center and Passages Hospice for their care and compassion.

“ I am saddened to learn of the passing of this dear woman. Someone who started as just a dental patient of mine, quickly became like family. Her warm embrace, heartfelt support and prayers as I navigated life without my parents, whom both I lost suddenly 17 days apart from one another to cancer in 2019, bonded us strongly. I remember walking down with her to the parking lot after a routine dental cleaning as I cried about "feeling like a orphan". She assured me I was loved and that I could call her "mom" if I needed to just have someone to call.. for 5 years following I texted her on Mother's Day and special occasions. When she got sick she did not want to tell me, because she knew the deep wounds I already carried from my parents- we cried together as she assured me she was going to be "OK". She was one of a kind truly- I did not get nearly enough time loving and being loved by her. I did not get a chance to say goodbye, but one day when we are reunited I will give her the biggest hug, introduce her to my parents and we will all roam the streets of gold together.

“ To the Husband and Family of the late Vonda White Crowley:

I am a little late sending my condolences, but I didn't know Vonda passed away. Vonda White Crowley, was an unbelievable beautiful person, I could never stop loving her, even after death, because the joy she gave me while on this earth will never leave. Vonda was a lot different from the people we grew up with in Gert Town, New Orleans, LA. She was like a special angel. Never an ugly word to you. I love you then and I love you now. Because you will always be in my heart.

“ I am so sorry to hear this sad news. Gone to soon! She was such an uplifting and caring person. I remember when I was diagnosed with HBP. I was still pretty young and didn't know much about it. I did not think I could handle it if she wasn't there. Thank you for everything. RIP.

Our dearest Vonda came into our family almost 15 years ago. Her love for caring of children sent her to my oldest daughter , Lisa, when she had her baby Jax. I had recently been diagnosed with cancer and was not able to help her. Vonda was not just a caretaker but a nurturer and a teacher. Her skills gave Jax the foundation of life lessons. We quickly became family and have had the great gift of her wisdom and love. I will always be grateful. Loving Vonda and Felton has been easy and they will be in our hearts forever. We have truly been blessed. Rest in peace my girl.
