“ A great and wonderful friend, mother , and sister. She has always shown great strength and per-serverence and risilence for as long as I've known her. We who knew her knows she has gone to be with our Father in heaven and will always do what she has always done (giving and sharing good advice and words of encouragement.) Wynette will be greatly missed but will never be forgotten. Prayers be with the family, friends, and those who have had the pleasure of meeting her. May God continue to strengthen the entire family during their time of grief. With regards from Keona Williamson and Family , Baranice P. Grant and Family, Kentravenous D. Prout and Family.
